Guadalajara, Jalisco, Mexico. December 2022.

RE. GMO Guaranty Statement

Valued Customer,

Ingredion Queretaro and Guadalajara plants are dedicated temporarily to use traditional raw materials (non-GMO) and operate process under our **TRUE TRACE™** program to preserve the identity of our products.

TRUE TRACE™ operates in conformance with the FoodChain ID EU Regulatory Compliance Standard, demonstrating the organization's capability to comply with Regulations (EC) No. 1829/2003 and 1830/2003 as amended, concerning traceability, and labeling of genetically modified organisms. Certificates are available under request.

As part of the program, all our suppliers certify that all raw materials used for the manufacture of the products described below are harvested as non-GMO.

Ingredion México S.A. de C.V. certifies that our products as established in Annex I, are manufactured under **TRUE TRACE™** certified program.

For more information, please feel free to contact me.

Kind Regards,

Victor González

Quality Assurance Manager

Next Review: December 2025.
